Beginning Of Year

The OLA main webpage has been updated since July with all the information you need to assist in easing back into school life. Please read especially the information on Back to School Night, which is the big opening event for the school year.

Welcome OLA Families:

It was great to see you all at Open House after the long break. I trust you are ready, as we are, for another successful year. Many plans have been implemented including more Spanish classes, new programs and technology, as well as, new facilities like our very own stage for performances and important events.

I look forward to addressing you on Back to School Night with lots more information and plans for the coming school year.

God's Blessings,
Allana-Rae
